## Introduction and Instructions for Dashboard

Welcome to the dashboard for the Claremont Graduate University survey of Student Satisfaction and Campus Climate. CGU's Institutional Research Office conducted the survey in November. All submitted response data is included here (response counts will therefore vary depending on the question).

**Fall 2019: Of the 2018 students who received the survey link, 727 (36.0%) partially completed, and 594 (29.4%) fully completed the survey.**

**Fall 2021: Of the 2,061 students who received the survey link, 541 (26.2%) responded to the survey and 422 (20.5%) fully completed the survey.**

**Fall 2022: Of the 1997 students who received the survey link, 632 (31.6%) partially completed, and 422 (20.5%) fully completed the survey.**

**Fall 2023: Of the 1864 students who received the survey link, 567 (30.4%) responded to the survey and 479 (25.7%) fully completed the survey.**

Each of these sections has a "tab" along the top of the page. When you click that tab, it is set by default to display total overall responses. You may choose to filter responses by the following categories, using the pull-down menus and radial buttons along the top and right of the data:

- [School/Program/Plan](#)
- [Type of Degree](#)
- [Survey Date](#)
